EXPERIENCE

Allstate

Senior Visual Designer | January 2019 – present

Works with a team of architects, developers, and product owners to produce high quality screens for Allstate's family of apps, namely the Drivewise experience and other telematics-based products.

PRIDE ERG Branding Director | June 2019 – present

Works with the Pride Employee Resource Group to design collateral for various projects such as PowerPoint templates, email signatures, posters, Zoom backgrounds, and more. Also works on educational and advocacy projects.

RBMM

Graphic Designer | March 2016 – December 2018

Created print and web work for clients like Central Market, Chick-fil-A, Choctaw, and more. Project lead for the Chick-fil-A One app. Responsible for wireframing, icon design, prototyping, and overall UI.

Santander Consumer USA

Graphic Designer | June 2015 – March 2016

Worked with a team of designers in order to create inhouse design work ranging from icons, infographics, social media images, brochures, branding, and other collateral.

Marketwave

Graphic Design Intern | January 2015 – May 2015

Created client and internal work ranging from infographics, social media images, brochures, branding, and other collateral.

UNT Dining Services

Graphic Design Intern | August 2014 – January, 2015

Created posters, flyers, signage, logos, packaging, website mockups, and other design materials for UNT's cafeterias, food events, and other dining services.
